**Explanation of State Revenues:** Under current law, offenders who are on probation and wish to move out of state are required to apply for a transfer of probation to another state. A fee of \$75 is required as part of the application. The county and the state General Fund each receive half of the fee revenue.

As proposed, this bill would create an Interstate Compact for Adult Offender Supervision Account within the state General Fund. The General Assembly would have to appropriate funds from the account for the Judicial Center to spend any of the money.

*Background* – This fee has been in statute since 2004 and generated \$54,000 in FY 2006.
